

**ACTIVITY FEE PROGRAM**

SAUGUS PUBLIC SCHOOL  
SAUGUS, MA 01906

DEAR PARENTS/GUARDIANS:

The Educational philosophy of the Saugus School Committee is to foster and support the participation of all students in a wide variety of student activities such as clubs, organizations, athletics, music etc. In an attempt to prevent the elimination of some of these activities the Committee seeks financial support, not only through local appropriations, but through an Activity Fee Schedule. In order for a student to be eligible, a payment must be made for each particular sport or activity in which the student participates. Participation in school athletics/activities is voluntary. This payment is non-refundable, unless the student is cut from the athletic team/or activity prior to the first event. Payment for the user fee does not guarantee playing time on the varsity level. However, playing time will be as equitable as possible at the sub varsity levels. The fee schedule will be as follows:

**High School Student                    \$250.00 Student**  
**( or middle school student playing high school sport )**  
**\$150.00 Cheerleading, Cross Country & Track**

**Middle School Sports                \$150.00 Student**

There is no maximum yearly fee for families.

To allow your student(s) to be eligible to participate in school activities/athletics, **please enclose your bank check or money order payable to Saugus Public Schools**, accompanied with the lower portion of this form, and return to Mr. Michael Nelson, Athletic Director at Saugus High School. There will be no personal checks accepted. Mr. Nelson will then forward the form and check to the School Business Office for placement in a special revolving account which in turn will be used to support these programs/services.

Questions concerning the Activity Fee Program should be directed to the School Principal or Mr. Nelson (781-231-5027 Ext. 1115). Thank you.

Richard Langlois, Superintendent
