

Biology Labs and Activities on a Shoestring Budget

Sponsored by
The Salem State Collaborative

Presenter: Zac Billings, Adjunct Professor of Education, SSC
Science Teacher, Lynnfield High School

Location: Peabody High School, 485 Lowell Street, Peabody, MA 01960

Audience: Grades 7-12 Science Teachers

Time: 8:15-2:15 PM (lunch included)

Date: 12 November 2009

PDP's: 5 for the session

Fee: \$35 for Member Districts \$105 for non-Member Districts

Description: During this workshop teachers will have the opportunity to discuss and participate in a series of frameworks-linked biology labs and activities. The emphasis will be on hands-on, bodily kinesthetic labs. Possible adjustments for labs due to budget, time or physical restraints will also be addressed. Participants will leave with electronic and paper versions of all material discussed. Additionally, time permitting, a series of framework related interest-grabbers or hooks will be briefly discussed and modeled for the participants. If you are looking for innovative and effective ways to enhance your biology or life science class without spending a lot of money, come to this workshop.

Registration Information:

Please register at our website www.salemcollaborative.org, or email the following information to Jim Kearns at registration@salemcollaborative.org. If you have registration questions, please either email (preferred) or call Jim at 781-771-4860.

Make checks or Purchase Orders payable to CPMSIE and Bring to the First Session

DEADLINE to sign up for this workshop is November 9, 2009
