Dear Joseph,

On behalf of the MIAA Sportsmanship Committee, please accept our sincere congratulations on Saugus High School's qualification for the 2009 MIAA Sportsmanship Honor Roll.

Since the 2000-01 school year, the MIAA Sportsmanship Honor Roll has been posted on our website as a way to honor and recognize schools that did not have any coaches or student-athletes disqualified from a contest for an entire academic year. Starting in 2007, the MIAA Sportsmanship Committee expanded upon this honor by providing banners that can be displayed in a school gymnasium to celebrate this achievement.

Saugus High School previously received such a banner, signifying each year of qualification on the Sportsmanship Honor Roll dating back to 2001. As a result of your school's most recent qualification for this honor, a "2009" patch was ordered that can be added to the banner. This patch was picked up by a representative of your school during the 16th Annual MIAA Sportsmanship Summit at Gillette Stadium. In future years, you will be provided a similar patch for each additional year that your school qualifies for the Sportsmanship Honor Roll.

Congratulations again for this significant achievement. Saugus High School has much to be proud of and the MIAA Sportsmanship Committee is excited to provide this form of recognition. Please keep up your school's excellent commitment to sportsmanship.

Sincerely,

William N. Gaine Jr.
Deputy Director
