

Waybright Wizard's News

Will you all stand for an overdue change that is critical for the future of our children?

Have you had enough of all the excuses that our Town's Government have had over the reasons for not funding the school system first and with the most money possible? Year after year we hear the same old rhetoric and see the constant lack of support to fund our desperate school system. We need a change where they budget the school system first and finally see it as a priority and not as an after thought. In the next few weeks the town will be deciding and voting on the Town Budget/School Budget. We need to show up and voice our concerns during the School Committee meetings and most importantly during the Town Meetings. We need to rally together and try to change their view to see what's really important, our children. With a better school system comes better property values and a more desirable place to live. Please join us and show your support for our children.

**The Waybright PTO
Is more than just
fundraising.**

Fundraising is simply a necessity to counter the cuts that our school's budget has been incurring over the last several years.

It is our privilege that we are able to provide the supplies, equipment and activities that our school budgets can no longer cover. We are only able to do that through our Waybright family's willingness to participate in our fundraisers.

Breakfast with Santa, Waybright Spirit wear, Yankee Candle are some of the ways we raise money for items such as classroom supplies, literacy support, smart boards, field trips and field day. It also helps in funding the school library, desks/chairs and what ever else the PTO deems necessary.

We are about families working together toward a common goal. That goal is creating a better school and a better educational experience for our children. We should strive to create an atmosphere where teachers, administrators and our children can thrive to be the best. We all look forward to seeing what can be accomplished this school year!
